DOGS must always be under the effective control of a chain, cord or leash whilst in a public place except in a designated LEASH-FREE area. However, dogs are not permitted in DOG PROHIBITED areas, whether on a leash or not.

DOGS are prohibited from entering or remaining in any DOG PROHIBITED AREA in the Mornington Peninsula. The prohibition applies in the specified prohibited areas whether on a leash or not.

LEASH-FREE activities may be restricted to specific areas and/or times in some reserves (where there are such restrictions, they will be included in the table of notes on this brochure). Please read the signs carefully on entering the reserve.

PLEASE NOTE:

Many Mornington Peninsula beaches are NOT managed by Council.

Many people mistakenly believe Council manages all the beaches, when it actually only has control over a proportion of the Peninsula coastline.

Many of the Peninsula's beaches are under the control of State Government through Parks Victoria, the Department of Sustainable Environment and volunteer foreshore committees (who report to the Department of Sustainable Environment).

Council does NOT manage the following beaches:

- Dromana 5981 0933
- Blairgowrie 5985 3288
- Portsea Surf Beaches 5986 9100
- Blairgowrie Ocean Beaches 5986 9100
- St. Andrews Beach 5986 9100
- Fingal Beach 5986 9100
- Shoreham 5989 8325
- Merricks 13 61 86
- Somers 13 61 86
- Crib Point 13 61 86
- Tootgarook 5986 4382
- Point Nepean 5986 9100
- Sorrento Back Beaches 5986 9100
- Rye Ocean Beaches 5986 9100
- Gunnamatta Surf Beach 5986 9100
- Cape Schanck 5986 9100
- Point Leo 5989 8333
- Balnarring 5983 5582
- Stony Point 13 61 86

If you have concerns about management issues at any of the above beaches, please contact Parks Victoria, the Department of Sustainable Environment or the local volunteer D.S.E. foreshore committees directly.

COMMUNITY FEEDBACK

'Leash-Free' dog exercise areas are being progressively introduced, in all parts of the Mornington Peninsula. The Shire is interested in improving the existing areas and would also consider suggestions for establishing other sites in the future. Community feedback is welcomed and you are invited to write with your comments and suggestions to:

Mornington Peninsula Shire,
Private Bag 1000, Rosebud Vic 3939
Tel: 1300 850 600

The Mornington Peninsula encourages responsible dog owners to have 'Leash-Free' fun with their dogs, at the Shire's many designated 'Leash-Free' areas which are located around the Mornington Peninsula. Exercising your dog contributes towards a more healthy, active lifestyle for you and your dog.

Dogs give pleasure, they teach responsibility, they give affection to humans and receive it in return, and their owners are healthier and happier than non-owners.

Dogs play an important and positive role in our community, especially with the elderly and with people who live alone. In many cases dogs provide an important means of 'contact' for these people with other members of the community.

'Leash-Free' areas have an important part to play in reducing dog nuisance problems for the community:

- socialised dogs are less likely to be aggressive
- dogs that get regular exercise and positive stimulation are less likely to be bored and cause nuisance by barking

Don't forget a little beach courtesy

- *Put your dog back on-leash near small children.
- *Be careful when introducing dogs to each other. They should be kept on-leash until the dogs get to know each other.

Please clean up after your pet

This will ensure dogs retain their rights to access the beach and other public places.

Many Mornington Peninsula beaches are **NOT** leash-free, and at most non-surf beaches the following controls apply

During the Daylight Saving period:
Dogs are not permitted on the foreshore between 9.00am and 7.00pm

Dogs **on leads** are permitted on the foreshore except between 9.00am and 7.00pm during Daylight Saving Period

**FOR DOGS SAKE!
PICK UP THE POO!**

**PROTECT YOUR DOGS ACCESS
TO BEACHES & PUBLIC PLACES**

Mornington Peninsula National Park

Dogs are prohibited

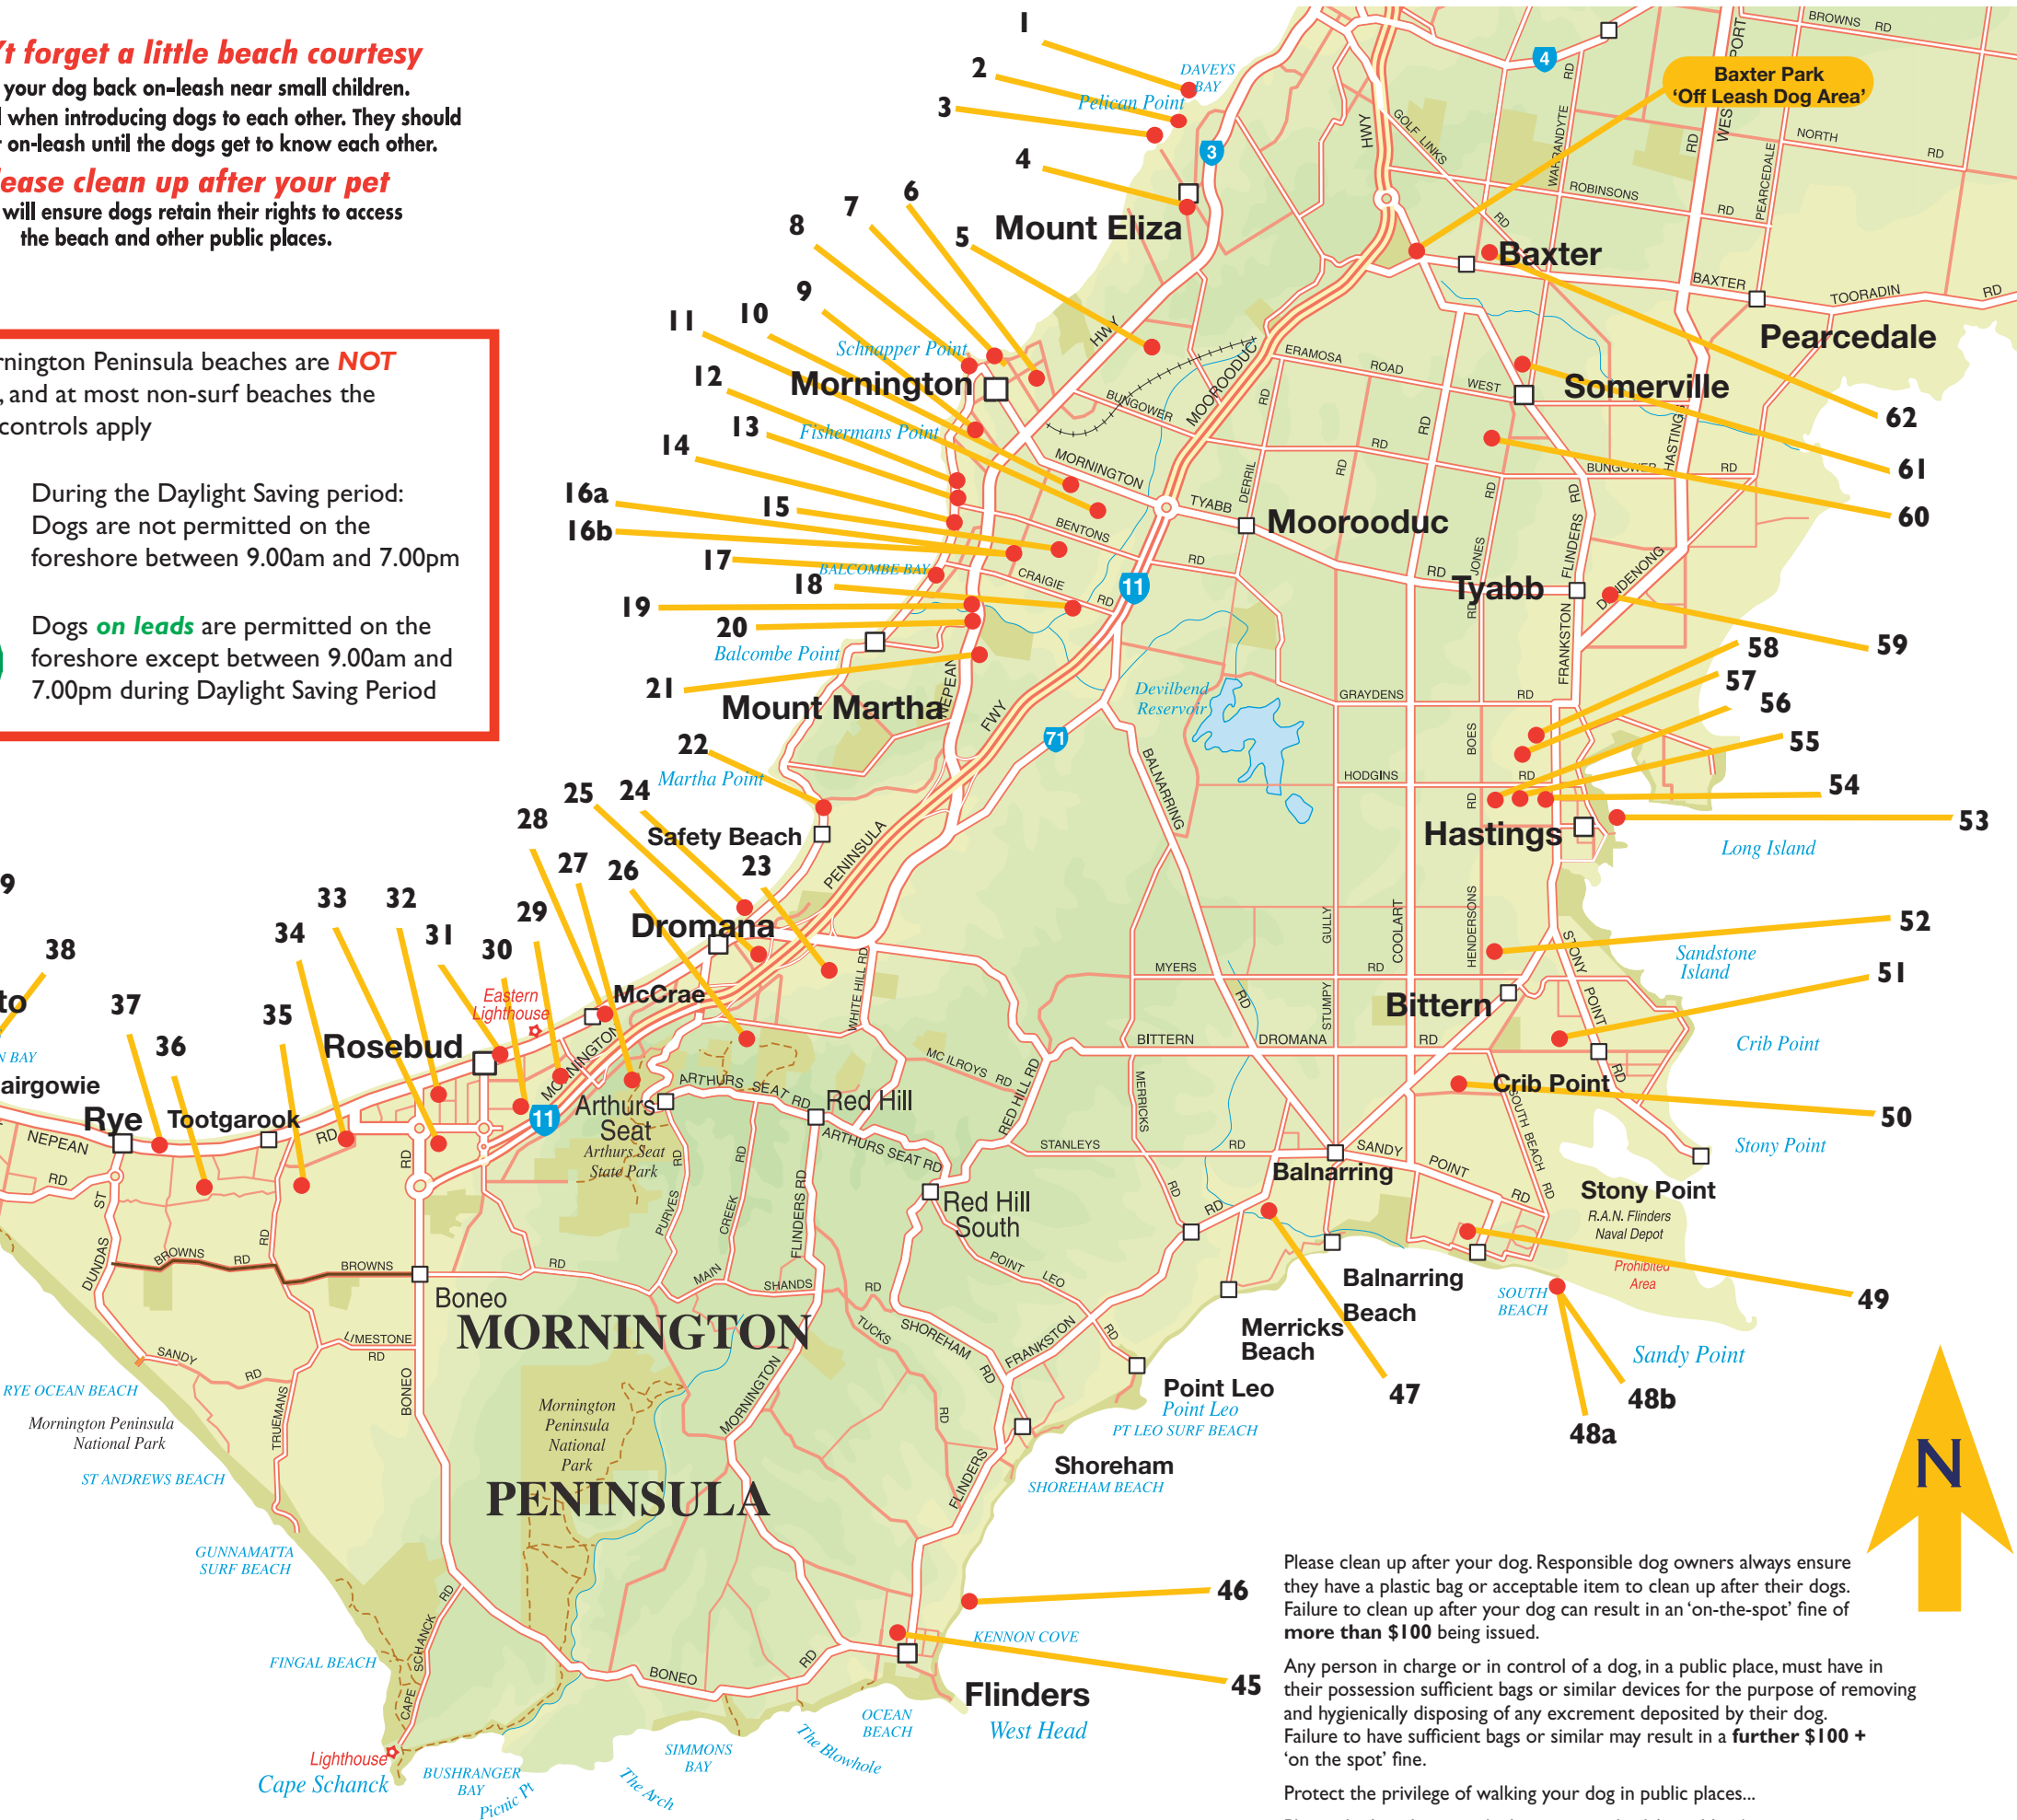

- within Point Nepean area including Visitor Centre car parks.
- after 9.00am, along the total coastline between London Bridge and Flinders. This includes the ocean beaches of London Bridge, Portsea, Sorrento, Diamond Bay, Koonya, Dimmicks, Montforts, No 16, Rye, St Andrews, Boag Rocks, Gunnamatta, Stockyard Creek, The Blowhole, Flinders and West Head.
- Pines Picnic Area, Fingal Beach, Cape Schanck, Bushrangers Bay, Main Creek, Highfield and Greens Bush areas.

The prohibition includes vehicles carrying a dog, all beaches, walking tracks and car parks within the above areas.

Dogs on a leash are currently permitted along the coastal portion of the National Park as follows:

- between sunrise and 9.00am from London Bridge through to 300 metres south of Gunnamatta Surf Life-Saving Club House.
- from Stockyard Creek through to the Flinders West Head Gunnery Range.

When dogs are permitted in the park, they **MUST** be on a leash at all times.

Please clean up after your dog. Responsible dog owners always ensure they have a plastic bag or acceptable item to clean up after their dogs. Failure to clean up after your dog can result in an 'on-the-spot' fine of **more than \$100** being issued.

Any person in charge or in control of a dog, in a public place, must have in their possession sufficient bags or similar devices for the purpose of removing and hygienically disposing of any excrement deposited by their dog. Failure to have sufficient bags or similar may result in a **further \$100 +** 'on the spot' fine.

Protect the privilege of walking your dog in public places...

Please don't make **your** dog's mess everybody's problem!
